

**ASSIGNMENT OF INTEREST AND
CONTRACT OF EMPLOYMENT FOR ACCIDENT VICTIMS**

HALLACK LAW OFFICE (herein referred to as **Attorney**) and _____ (herein referred to as **Client**, whether one or more) enter into the following assignment of interest and contract of employment:

SCOPE OF REPRESENTATION: **Client** employs **Attorneys** to represent him/her/them for _____ which occurred on _____, 200__.

FEE: As consideration for legal services rendered and to be rendered by the **Attorney** in carrying out the purpose hereof, **Client** agrees to pay the **Attorney** one-fourth (25%) of all amounts recovered before suit is filed, whereupon the fee increases to 35%, and should the case be brought to trial, the fee will thereupon increase to 40%. **Client** assigns, and **Attorney** accepts and acquires as his fee, a proportionate interest in the subject matter of any claim, action, or suit instituted or asserted under the provisions of this agreement. Any award for attorney's fees shall belong to the attorney separate from any other fee.

COSTS AND EXPENSES: **Client** shall be responsible for all costs expended on his behalf in the presentation of **Client's** claim, however, **Attorney** agrees to advance such costs during the on-going claim or litigation. These shall include filing fees, courier fees, witness fees, travel, parking, long distance telephone calls, facsimile use, postage, copying charges, computer aided research charges, sheriff's and constable's fees, expenses of depositions, investigative expenses, and other incidental expenses. **Attorney** agrees to obtain **Client's** prior approval before incurring any single expense in excess of \$500.00. Costs will be deducted out of the **Client's** portion of any recovery.

CONSENT TO SETTLEMENT: Neither the attorney nor the client shall have the authority to settle the client's claim without the consent of the other.

Executed on this ___ day of _____, 200___, after due reading of the whole.
